

# Keep

"I look + feel fabulous in this!"

# Toss

“Definite goner, stained + dingy.”

# Donate

“Just not that into you anymore.”

# Need to Decide

“Because sometimes you need to mull it over.”  
*Don't waste time on it right now. When you're done sorting +  
purging, come back to this pile and make your final decisions.  
I bet you'll only decide to keep a thing or two.*

# Put Away Later...

"Hmmm, this doesn't belong in my closet! I'll deal with it later."

# Return

“I’ve got to return this + get cash back! If I put this on my front passenger seat I can do it tomorrow.”

# Need to ask

“Does this make my butt look big?”

# Yard Sale

“Be realistic...remember how much work that last yard sale was, and clothes don't really sell that well.”

# Consign It.

“Be realistic...Am I going to follow through? Is this item current?”

# Try it on

“I need to try this one on to make a good decision.”

# Alter

"Take it in a pinch, shorten it a tad."

# Mom

“Just because I am one, doesn’t mean I have to dress frumpy.”

*Think comfortable + casual.*

# Up-town

"A bit hip + stylish for day or night."

# Working Girl

“Just because I work, doesn’t mean I have to dress like a man.”

# Formal

"You never know when you'll dine with the Queen or Oprah for that matter."

# Comfy

# Cozy

“Now really, how many fat pants + old tee’s do you really need?”

# Working out

“Lose the old man-tee’s and use your nubby castoffs.”
